PRELIMINARY AMENDMENT

Applicant respectfully requests entrance of the present Preliminary Amendment into the
above-referenced case, and consideration of the following Remarks.

Amendment

In the Specification:

Please amend the specification as follows, replacing the original paragraphs by the
corresponding amended paragraphs detailed below. A copy of the amended paragraphs, with the
changes highlighted, is presented as attached Appendix A ("Version With Markings to Show
Changes Made").

**1) Please replace the paragraph starting on page 1 line 28 and ending on page 2 line 9 with the
following amended paragraph:**

For example, certain researchers have attempted to alter the catalytic capability of
synthetic enzymes that naturally produce interesting biologically active compounds by making
